ORDER ADOPTING REPORT AND RECOMMENDATION

This action for judicial review of the Commissioner's denial of disability insurance benefits was referred for initial proceedings to United States Magistrate Judge Suzanne Mitchell, consistent with 28 U.S.C. § 636(b)(1)(B). Judge Mitchell entered a Report and Recommendation on April 8, 2014, recommending that the decision of the Commissioner be affirmed. Plaintiff, through counsel, has timely filed an objection to this report, and the Court therefore considers the matter de novo.

In her thorough and well-reasoned Report and Recommendation, Judge Mitchell sets out the relevant facts and prevailing law, and no purpose would be served to repeat those here. In objection, Plaintiff merely restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge. There is nothing asserted by the Plaintiff which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons stated therein, the decision of the Commissioner in this case is affirmed. A judgment will enter accordingly.

IT IS SO ORDERED this 14th day of May, 2014.
